

Bank of America

Opportunities with our Global Technology teams

Our strategic vision is to deliver market-leading technology that drives our business forward and meets the needs of our clients. In order to maintain our competitive edge and deliver the best solutions to our global client base, we continually invest in cutting-edge technology.

Would you like to be part of a team that gives our business the competitive edge to solve business problems by delivering high quality and practical solutions? Our different Technology teams are looking to hire interns and full-time graduates in Singapore and Hong Kong for 2022.

Industrial Attachment Internship (6-month program starting in Jan 2022, only in Singapore)

[Industrial Attachment Analyst \(Developer\)](#)

Summer Internship (10-week program starting in Jun 2022)

Summer Analyst (Cybersecurity)	Hong Kong	Singapore
Summer Analyst (Developer)	Hong Kong	Singapore
Summer Analyst (Infrastructure)	Hong Kong	Singapore

Technology Analyst Program (Full-time graduate role starting in 2022)

Full-Time Analyst (Developer)	Hong Kong	Singapore
Full-Time Analyst (Infrastructure)		Singapore

If you are interested to learn more about the different Technology roles at the bank, join us at our virtual recruitment event on **23 September 2021**, from 10am to 11am (SGT/HKT).
