

Job Title: Instructional Assistant
Department: Department of Electronic and Computer Engineering
Job ID: 6471

Job Posting Details

The appointee will assist in course development and delivery, including course administration, offering tutorials, supervising laboratory sessions, developing and grading examinations and assignments, as well as student counseling on academic matters, such as course selection.

Applicants should have a bachelor's degree in electronic/computer/electrical engineering; a strong interest in teaching and student counseling; expertise in digital circuit design and embedded system development; and knowledge in basic electronics, signals and systems, and communication systems. Excellent communication, interpersonal and presentation skills; and a good command of spoken and written English are required. (Duration: 1 year, renewable)

(Applicants who have responded to the previous advertisements need not re-apply.)

Starting salary will be commensurate with qualifications and experience. Fringe benefits including annual leave, medical and dental benefits will be provided.

Application Procedure

In support of a green work environment, we accept applications submitted online only. To apply, please complete an online application form through the HKUST Careers website (<https://hkustcareers.ust.hk>) and return it online to the Human Resources Office on or before **Wednesday, 27 July 2022**. Applicants will receive an acknowledgement by email upon successful submission. We thank applicants for their interest, but advise that only shortlisted candidates will be notified of the result of the application.

(Information provided by applicants will be used for recruitment and other employment-related purposes only.)

HKUST is an equal opportunities employer and is committed to our core values of inclusiveness, diversity, and respect.
