

## **2025 Accenture Incubator Internship Program (IIP)**

### **About Accenture Incubator Internship Program (IIP):**

The Accenture Incubator Internship Program is a systematic and personalized development opportunity that offers university students an in-depth look at business consulting within Accenture Song, Strategy & Consulting, and Technology. This 3-month program provides practical training, mentorship, and the chance to work on a wide range of real-life projects. You will have opportunity to build on your soft skills and consulting capabilities through challenges and problem solving, primes you on the route to secure a future graduate career alongside Accenture team in delivering end-to-end transformation solutions and creating client-centric 360° value.

### **Internship Openings:**

- Technology – Business Architecture
- Song – Experience Transformation
- Strategy & Consulting – Strategy
- Strategy & Consulting – Management Consulting
- Strategy & Consulting - Enterprise AI Value Strategy

### **Come Join Us if you are:**

- Currently pursuing a Bachelor's or Master's degree.
- Majors from all disciplines are welcome; preferred backgrounds include business administration, computer science, economics, data science, statistics, and related fields.
- Familiar with and eager to learn cutting-edge business and technology evolution, with a desire to develop and deepen skills in consulting.

- Possessing strong presentation skills, able to clearly communicate complex concepts.
- Equipped with strong problem-solving skills and a keen interest in professional growth and learning.
- Enjoying being part of a community of enthusiastic individuals, with the ability to effectively articulate ideas to help teams achieve their goals.
- Demonstrating a proven ability to adapt and overcome obstacles to deliver results, with the courage and flexibility to undertake work responsibilities across different projects or locations.
- Available for a 3-month full-time internship period from June to August 2025.

#### **Perks to Gain from the Internship:**

- On-project training, and mentorship support to guide your professional development.
- Engage in a unique learning journey alongside your internship batchmates at Accenture.
- Participate in our projects and work with some of the most established companies in Hong Kong.
- Deepen your functional expertise, learning from idea origination to design and solution delivery.
- Practice best in class consulting techniques to enhance your delivery skillset.
- Selected interns will have the opportunity to receive a fast-track interview for our graduate program (AAP) and potentially secure an early offer.

**How to Apply:** Submit your application directly at [Accenture Campus Application](#).

**Application Period:** February 3, 2025 – March 17, 2025.

Please note that you can only apply to one position under the 2025 Accenture Incubator Internship Program, but you may indicate a second position preference in the application form.

Shortlisted candidates will be contacted for an online assessment by March.

**Important:** Regularly check your email inbox, including spam folders, for important updates regarding the recruitment process.
