

ELEC3910

Academic and Professional Development II

Course Description

Continuation of ELEC 2910. Graded P or F.

List of Topics

Similarly to ELEC2910 "Academic and Professional Development I", students are divided into a number of small groups. Each group is assigned to an ECE faculty who meet the group three times a year (twice in Fall term, once in Spring term), alternatively as a group and on an individual basis. Each student is also required to meet the communication tutor once in the Spring term.

Statement of Objectives/Outcomes:

Upon successful completion of this course, students will have had:

CO1 – the opportunity to discuss academic and professional matters of both general and individual concern with their advisors.

CO2 – the opportunity to express their views on matters related to their study of electronic and computer engineering.

CO3 - practice with English communication, in speaking and listening, on both academic and non-academic topics.

Textbook(s):

No textbook

Relationship of Course to Program Outcomes:

Please refer to the Report Section 4.3.2 (iii).

Grading Scheme:

To get a Pass, students must attend all meetings.
